

CURATE YOUR DREAM HONEYMOON AT BAROS MALDIVES - THE WORLD'S LEADING ROMANTIC RESORTS

Couples looking to mark their nuptials after a year of lockdowns and travel restrictions can do so with some additional spoils at Baros. This year, we are offering our esteemed honeymooners some brand new complimentary experiences to ensure that their long-awaited dream honeymoon can (finally) transform into a reality.

Make up for lost post-wedding celebrations with the ultimate tailor-made honeymoon experience at Baros. What's more, for newlyweds planning to travel in 2021, it's no longer necessary to travel within 6 months of the wedding to receive the benefits.

Every Baros honeymoon offers guests a sophisticated welcome with sparkling wine and gourmet chocolates on arrival, an intimate, candlelit dinner on a deserted beach and romantic villa decorations. But this year, over and above these standard Baros honeymoon treats, newlywed couples looking to celebrate their union between May and September 2021 will also be able to choose three complimentary experiences from a range of romantic offerings available.

A private floating breakfast served in their own villa pool (applicable for pool villa bookings only); sumptuous cocktails at the Lighthouse; a sunset cruise on a Maldivian dhoni sailing boat; a guided snorkel of the world-class Baros house reef – these are some of the extraordinary ways honeymooners can make up for lost time at Baros in 2021.

Welcoming guests since 1973, Baros has spent decades honing its services and cultivating its environment, making it the Maldivian icon and a firm favourite among couples. In fact, it's secured the award for the Most Romantic Resort in the World for eight consecutive years at the World Travel Awards, the most recent being in 2020.

An undeniably idyllic hideaway, Baros boasts exquisite tropical vegetation and a sublime house reef – a mere 15 meters from the shore. Its plethora of island activities and offerings make for a truly unforgettable honeymoon in paradise.

HOW: Honeymoon benefits apply to all newlyweds staying for a minimum of four nights. The newly introduced bespoke benefits and offerings are applicable for honeymoon stays between May and September 2021 only and bookings can be made on www.baros.com.
